IN A HARBOUR

- Report to the harbour authority by VHF or other recommend method
- Do not discard hazardous substances into the sea
- Respect local law and order
- Do not release toilet waste into the sea
- Follow the harbour rules
- Only use appropriate cables and plugs to connect the boat to electrical enclosures
- Do not carry out any noisy activities or loud work
- Fuel and take fresh water only at adequately equipped stations and follow the instructions given
- Do not swim in the harbour
- Remember safe mooring at fuel or water quay
- Do not throw waste into sea. Use appropriate waste containers
